JOB OPENING: Full-time Registered Environmental Health Specialist (REHS)
Borough of Ridgefield Health Department - Ridgefield, Bergen County, NJ

The Ridgefield Health Department is accepting resumes from qualified individuals for the full-time position of Registered Environmental Health Specialist (REHS). The REHS will perform responsible professional work in promoting and protecting public health through education, consultation and enforcement of federal, state, and local health laws and regulations.

Under the direction of the Health Officer, responsibilities include, but are not limited to; retail food inspections, recreational bathing inspections, youth camp inspections, plan review, complaint investigations, enforcement of state and local codes, public health emergency preparedness and response, and related work in collaboration with the Health Officer. Light office duties/multiple tasks apply as required.

Excellent verbal and written communication skills are a must with bilingual skills in Spanish or Korean a plus. Applicants must possess a Bachelor of Science (BS) from an accredited college or university, a valid NJ Registered Environmental Health Specialist license issued by the NJ Department of Health, and a valid NJ driver's license.

Salary is commensurate with experience with a minimum of 1-3 year experience in REHS work preferred; 40-hour week with excellent benefits including paid holidays, vacation and sick leave, pension plan, medical/dental plans.

Please submit resumes to:
Branka Lulic, Health Officer/Administrator
Ridgefield Health Department
